PRESTO Service Agreement (the "Agreement")

This is the agreement between you and the PRESTO Service ("PRESTO") operated through and by Metrolinx, a Crown Agency within the meaning of the Crown Agency Act (Ontario) ("Metrolinx"), for PRESTO cards issued by or on behalf of PRESTO (this "Agreement"). For the purposes of this Agreement and the other documents or agreements incorporated by reference herein or which incorporate this Agreement by reference therein, the term "PRESTO Service" means the use by you of the PRESTO card and the services offered by PRESTO in connection with your use of the PRESTO card including, but not limited to, use of the PRESTO website (as defined below) and the PRESTO Contact Centre (as defined below).

If you have not already agreed to be bound by this Agreement at the time you applied for the PRESTO card, then by activating or using your PRESTO card, you will be deemed to have agreed to the terms and conditions provided in this Agreement.

Definitions: In this Agreement, the applicant for PRESTO Service and/or a PRESTO card and the user of the PRESTO card is referred to as "you" or "your"; PRESTO is referred to as "PRESTO", "we", "our" or "us"; "Transit Agency" refers to GO Transit, Brampton Transit, Burlington Transit, Durham Region Transit, Hamilton Street Railway Company, MiWay (Mississauga), Oakville Transit, Toronto Transit Commission, Union-Pearson Express, York Region Transit, OC Transpo (Ottawa) and any other transit agency that accepts payment for its services by way of the PRESTO card that may be added from time to time, and "Transit Agency" refers to any one of them.

Privacy Policy and Authorization for Information Sharing

You agree that the information provided in your PRESTO card application and any data PRESTO receives as a result of the use of your PRESTO card and the PRESTO Service may be collected, used and disclosed in compliance with the PRESTO Privacy Policy.

The PRESTO Privacy Policy can be accessed by visiting the PRESTO website at www.prestocard.ca (the "PRESTO website"). Without limiting the generality of the foregoing, as a registered cardholder who provides us with an email address or phone number, you hereby expressly authorize PRESTO to contact you from time to time by email or phone, for the purpose of managing your My PRESTO Account and providing you with services related to your PRESTO card, including confirmation of reloads and verification of accounts.

You hereby certify that all information provided by you to PRESTO is correct and that you will notify PRESTO in the event of any changes to such information.

You authorize PRESTO to share all such information and data with the Transit Agencies identified herein.

PRESTO Card Use

To be able to use your PRESTO card, it must first be activated (which is done automatically when purchased from certain sources). You may activate your card by tapping it on a PRESTO reader. Once activated and when funds are made available in your My PRESTO Account (as defined below), you may use your PRESTO card to pay for transit services at any participating Transit Agency in Ontario within the scope of any applicable limitations imposed on the use of the PRESTO card by any Transit Agency, as applicable. A PRESTO card registered in the name of a card holder is referred to herein as a "Registered PRESTO card".

You agree to pay to PRESTO an issuing fee of \$6.00 (the "Issuing Fee") for each PRESTO card issued to you. You agree that the term of each PRESTO card is from the date of issuance of the PRESTO card to the date your balance is transferred to another PRESTO card (the "Term"). PRESTO cards no longer expire, even if there is an expiry date shown on the card (you may continue to use your card even after any indicated expiry date).

Every time you ride transit provided by any Transit Agency you tap the PRESTO card lightly on a card reader machine located at the transit vehicle door or at a transit station. The system instantly calculates and deducts the correct fare or recognizes your individual PRESTO card. When you use the PRESTO card at any Transit Agency location, you authorize PRESTO to debit your My PRESTO Account for the specific charges incurred per use or to validate an active pass is loaded on the card.

We will not authorize a transaction at a Transit Agency location if: (i) there are insufficient funds in your My PRESTO Account (except as set out below); (ii) your My PRESTO Account or PRESTO card has been suspended; (iii) your My PRESTO Account has been closed; or (iv) your PRESTO card has been reported lost or stolen. Provided a Registered PRESTO card has a positive balance at the beginning of a travel transaction (and the events set out in (ii), (iii) or (iv) above have not occurred), the holder of a Registered PRESTO card can travel once, resulting in a negative balance, so that holder is not stranded at a location prior to the suspension of the PRESTO card. A fee in the amount of \$0.25 will be charged to your PRESTO card upon the next time you load funds on the card.

Your My PRESTO Account

When you apply and are accepted for the PRESTO Service pursuant to the terms hereof which are incorporated by reference into the PRESTO card application form, we will set up an account for you ("My PRESTO Account"), to keep track of the funds you deposit into your My PRESTO Account, the use of the PRESTO card(s) connected to your My PRESTO Account, and all other transactions associated with your My PRESTO Account.

Registered PRESTO cardholders can review their transaction history by visiting the PRESTO website or by contacting the PRESTO Contact Centre (the "PRESTO Contact Centre") at 1-8-PRESTO-123 (1-877-378-6123 or TTY: 711 or 1-800-855-0511).

The My PRESTO Account is a prepaid account used to facilitate payments for transit services with the Transit Agencies. No interest will be paid on your My PRESTO Account, and any funds put into your My PRESTO Account are not considered to be deposits insured by the Canada Deposit Insurance Corporation or any other insurer. The funds put into your My PRESTO Account may be refunded to you, subject to a 4% administration fee, if (a) you have a Registered PRESTO card, or (b) PRESTO closes your My PRESTO Account without cause (as defined below) and attempts to refund such amounts to you pursuant to the terms of this Agreement or as otherwise set out herein. Please see section entitled "Refunds" below for more details.

Options For Adding Funds To Your My PRESTO Account

General: You have several options for adding funds to your My PRESTO Account. In certain cases, there are references to a "CCDC Agreement" which means an agreement through which we will charge your credit card or debit card for the appropriate charge; and also to a "PAD Agreement" which is an agreement between us whereby you pre-authorize us to debit a chequing account of your choice at a Canadian financial institution (for convenience, referred to as a "bank"). There may be additional terms in a CCDC Agreement or PAD Agreement you may enter into.

The payment information provided by you on your CCDC Agreement or PAD Agreement is kept on file by PRESTO allowing you to add value to your PRESTO card via the PRESTO website or the PRESTO Contact Centre without having to provide that information every time you call the PRESTO Contact Centre or access the PRESTO website. For CCDC Agreements, PRESTO will charge your indicated payment method in the amount you chose in your CCDC Agreement, or in such other amount as you and we may later agree. For PAD Agreements, PRESTO will initiate a withdrawal request from the bank account provided in the amount you chose in your PAD Agreement, as applicable, or in such other amount as you and we may later agree. You must ensure that funds are available in your bank account to cover any Autoload or Saved Payment Method withdrawal request.

In-Person My PRESTO Account Loading

You can load money or passes on your PRESTO card through PRESTO salespeople at certain locations. Funds will be available on your My PRESTO Account immediately.

Web-Based My PRESTO Account Loading

You can use your credit card and/or debit card to load money or passes on your PRESTO card through the PRESTO website. Simply click through the instructions starting with "Load Your Card". It can take up to 24 hours for the funds to be added to your My PRESTO Account. Please note that you must tap your card to a device within 30 days in order for your transaction to be completed. If you do not tap within 30 days your transaction will be cancelled and funds will be refunded to your method of payment.

Autoload

As a holder of a Registered PRESTO card you can authorize PRESTO to arrange for your My PRESTO Account to be automatically topped up when your My PRESTO Account goes below a minimum balance of your choosing ("Autoload"). This can either be done by credit or debit card or by pre-authorized debit. You will set the minimum balance and related increase on your CCDC Agreement or PAD Agreement, as applicable. When your account goes below the indicated balance, funds will be immediately added to your account. There is a minimum load limit of \$20.00.

Reload with Saved Payment Method

(i) As a holder of a Registered PRESTO card you can authorize PRESTO to arrange for your My PRESTO Account to be topped up upon your request for an amount you choose from time to time ("Saved Payment Method"), by contacting the PRESTO Contact Centre or by visiting the PRESTO website, through the use of the payment information provided by you in the CCDC Agreement or PAD Agreement, as appropriate. Your funds will be credited to your My PRESTO account within 24 hours if you are using a credit card or debit card, or within 5-6 days if you are using pre-authorized debit. Please note that you must tap your card to a device within 30 days in order for your transaction to be completed. If you do not tap within 30 days your transaction will be cancelled and funds will be refunded to your method of payment.

Autorenew

As a holder of a Registered PRESTO card you can authorize PRESTO to arrange for your My PRESTO Account to have your transit pass automatically renewed ("Autorenew") based on your selected Transit Agency's pass product and chosen end date as identified by you on the applicable CCDC Agreement or PAD Agreement. Provided that there are no issues with payment, your pass should be activated on the first day of the pass' period. Autorenew may not be available for all transit passes.

Changes to banking information

In order to prevent disruption to any Autoload, Saved Payment Method or Autorenew withdrawal request, you must notify us at least ten (10) days in advance if your credit card, debit card, or bank account information specified in your CCDC Agreement or PAD Agreement associated with your Autoload, Saved Payment Method or Autorenew arrangement changes.

Refused Autoload, Saved Payment Method or Autorenew

If any Autoload, Saved Payment Method or Autorenew transaction is not honoured for any reason, such as your bank account having insufficient funds or your credit or debit card having been cancelled, PRESTO: (i) may charge you a fee for the failed refill transaction; (ii) will reverse any provisional credit given to your My PRESTO Account in respect of the refill transaction; and/or (iii) will suspend or end the Autoload, Saved Payment Method or Autorenew arrangement; upon confirmation, satisfactory to PRESTO, that the funding account has been restored to good status, a new Autoload, Saved Payment Method or Autorenew arrangement can be established. In addition, an Autoload/Saved Payment Method/Autorenew collection letter (the "Autoload/Saved Payment Method/Autorenew Letter") may be sent to the address you provided to PRESTO upon registering for your PRESTO card. You will be required to comply with the terms of the Autoload/Saved Payment Method/Autorenew Collection Letter in order to reactivate your PRESTO card. You may be asked to enter into a new CCDC Agreement or PAD Agreement.

For specific terms and conditions as it relates to your transit pass, please contact the transit pass transit agency issuer. To find the contact information, please click on the logos available at the bottom of the home page at prestocard.ca.

The TUR can be obtained from the PRESTO website (www.prestocard.ca) by signing into your online account. You must register your PRESTO card to receive a TUR for the previous year. Once you have registered, your trips will stay in your TUR for at least five (5) years. Please save any other information that you want to keep before it is deleted. The Canada Revenue Agency is responsible for assessing claims for taxable travel benefits. The TUR is a summary of PRESTO travel details that customers can use to help determine their eligibility for taxable travel benefits. Eligibility and other rules and requirements (including required documentation) relating to the Federal Public Transit Tax Credit are at the sole discretion of the Canada Revenue Agency and PRESTO makes no representations or warranties as to your eligibility for the Federal Public Transit Tax Credit or that the TUR will provide sufficient information to support your claim for the Federal Public Transit Tax Credit. For full details about how

to claim taxable travel benefits for electronic payment cards, please visit the Canada Revenue Agency website.
